- Lisa was great to work with and very flexible. She started my wedding day at 6 am with 5 girls including me and we even added a couple of other services when she got there. She was quick but her hair styles and makeup came at awesome. My husband wanted me to look natural on our wedding day and not made up. Lisa did just that for me, I was absolutely happy with the work she did and he said I looked beautiful.
- Lisa was great! She was able to achieve all the looks the bridesmaids and I wanted for their hair. Her make-up was incredible, and we all received SO many compliments for our hair and make-up. The individual fake eyelashes were my favorite and looked amazing in the photos. Lisa was incredibly reasonably priced, and very professional. Plus getting hair and make-up done in the comfort of your home made it very convenient for my bridal part of 9. Thank you so much Lisa for making the day run smoothly, on time, making us all look gorgeous, and for helping to make my dream wedding a success!!
- First off, I just want to say Lisa you were amazing. I could not have asked for anyone better to do my hair and makeup for my wedding day! The makeup you did for my mother (and my sister at the last minute!!) was beautiful and it lasted all day. Thank you so much for your help and kindness throughout what was a very stressful time for me.

## Client Evaluations for Lisa Yaffe (2009-2011)

- Lisa was wonderful! We did a trial with her for my Bridal Portraits about 3 months before the wedding. Only 2 of my bridesmaids got their makeup done then and one of them was eventually kicked out of the wedding---however, Lisa had no problem substituting another person she had never met with the updo and makeup the ex-bridesmaid was going to receive.

Also, on the day of the wedding, Lisa stayed with us for almost 7 hours. She drove for about 3-4 hours to come to VA from MD to provide her services. Additionally, she was flexible the day of; She provided services for people who asked her to that morning and were not on the contract (my mom's makeup, my cousin's hair AND makeup, and my grandmother's makeup).

To top all of that off, Lisa fixed a hook for the bustle on my dress, helped me into my dress and undergarments when we were in a rush, and even, unfortunately, put up with getting punched in the face by me during the process (SORRY AGAIN!).

To say the least, Lisa was AMAZING. She truly went above and beyond and totally out of her way to meet everyone's needs. She's also quite entertaining to talk to...she kept my nerves calm because she is so funny and comfortable around everyone!

We look forward to working with her for future events!

- Lisa did an amazing job on my wedding day. Ladies, if you are looking for someone to do your hair and makeup to look the BEST on your wedding day and in your photographs then she is the one to pick. My makeup was flawless the whole day and I had an outdoor wedding. It was 84 degrees outside, I was sweating ALOT but my makeup stayed perfect with just a little bit of powder put on later during the day. Lisa was punctual to every appointment that we had, and when doing my hair she made suggestions for me to get extensions to make my hair look a little fuller - she was absolutely right and it looked awesome.

When she did the makeup, I have to admit that I was a little unsure about it, since I don't wear a lot of makeup and it seemed like a lot. But let me say that I received TONS of compliments about it, and when I saw my wedding photos I looked AMAZING in my photographs. All in all if I could rate Lisa higher than this I would. You will not be disappointed by choosing her for your wedding. She is professional, warm, inviting, and her price really can't be beat for the quality of service that she gives. Thanks so much Lisa for making my wedding just that much more special with your help.

- Lisa provided Hair and makeup for me on my wedding day, as well as hair for my 4 bridesmaids and my mother. We all thought she did an amazing job. She worked quickly and efficiently, and has a style that eases bridal nerves quite well. When the zipper got stuck on my gown, Lisa even stepped in and saved the day, fixing the zipper that 2 of my bridesmaids couldn't salvage! I would definitely recommend Hair and Faces by Lisa to any future brides. She is wonderful!
- Lisa showed up to do hair and make-up on members of the wedding party and family at 0630 in the morning and did a fabulous job. She was very sociable with everyone and took the time to make sure that everyone looked fabulous for the wedding even though she was getting strapped for time. Lisa was working on people right up until we left for the Limo. Her most challenging task was doing hair for my 6 year old niece ... who hates to have her hair combed ... she was very patient throughout. Thanks again Lisa!!! Everyone looked absolutely beautiful!!

- Lisa was WONDERFUL! She drove all the way to Queenstown, MD for my wedding. She arrived right on time as promised at 7:30am. She worked on me (the bride), my 8 bridesmaids and 3 flower girls. Lisa did our hair & make-up all day long. She finished around 3:00pm - which was exactly what she stated in her contract.

- She was fun, professional and EVERYONE loved their hair & make-up. When I looked at other vendors for hair/make-up, they were almost double what Lisa charged. Lisa worked within my budget and was a pleasure to work with. My hair & make-up looked amazing! Exactly the way it looked during my trial. Lisa was relaxed and made sure everyone was at ease and kept all the girls laughing! Lisa - thank you so much for everything! I am so glad my wedding planner recommended you! You were a wonderful and extremely talented! If you ever need a reference, feel free to contact me!
- Dear Lisa, Thank you for ALL your assistance at our wedding. You arrived early, set up a very professional space in a very limited area and came prepared for any emergency...and we certainly had our share. In addition to the bride and the wedding party you were able to help out 2 of my nieces who arrived at the wedding in a panic from a hair catastrophe and miss matched eyelashes. Not only were they happy when you finished, but in truth they never looked better. You were also able to repair the damage done by happy tears on the mother of the bride. We thank you from the bottom of our hearts for making everyone look their best on such a special day.

- WOW! OK, I don't even know where to start..... Lisa was great - words can't even describe it! She arrived to my house early, considering she probably lived almost 2 hours away from me! She actually woke us girls up, we had a little too much fun the night before. She got right to business and started, @ first she was only supposed to do me, my flower girl and 1 of the bridesmaids, however it turned out to be 3 more girls! everyone was very satisfied! Lisa is not very pushy and demanding she's just good at what she does and tells you for your best! She's honest and tells you the truth, if it looks good on you or not, do you really want to walk down the aisle on your wedding day looking like a complete disaster b/c someone told you that you look good when in true reality you don't! NO b/c some people don't have the heart to tell you that just doesn't look good! All I have to say is that she will make you look the best you can look! MY HUSBAND EVEN LOVED IT wow!

As for price it's the same rates, maybe less that you will get anywhere else, you get what you pay for! She even added a little extra to her services for me that should've cost extra! Also not to mention, i was running soooo late b/c other girls decided to get their hair done last minute b/c they just loved her work! I didn't want my girls looking bad so it was OK to run late, she took some of us girls to where we were meeting the limo and for pictures! She got us there quick and also I had a little bit of problems getting my dress to zip the zipper broke! omg what a nightmare, but Lisa fixed

it!

- WOW!! I looked flawless on my wedding day Thank you soooo much, you all are GREAT!!!!I found Your Beautiful Face on [www.WeddingWire.com](http://www.WeddingWire.com) and all the ladies and I were very happy with all that was provided.
- Lisa was awesome. She woke up super early to get to our venue at 5:30am and still managed to be awake, alert and friendly all day. She did hair for 9 of us (1 bride, 5 bridesmaids, 2 moms, and 1 sister) and make-up for all but 2 of the bridesmaids. Everyone looked gorgeous and natural. A few of my bridesmaids hadn't had their hair and make-up done before and so did not have super specific ideas of what might look good on them. Lisa was very good at listening to what they said and translating it into a look that was beautiful and completely suited their personality. She was fun to have with us throughout the day as we got ready -- she joined in the conversation, but didn't try to overwhelm it. My bridesmaids, moms, and sister all said they enjoyed having her there and we all got so many compliments on how great we looked!!

- Lisa did a wonderful job with my hair and makeup. She listened to exactly what type of look I wanted, and made sure my hair and makeup matched it perfectly. It was so nice to have someone who did both hair and makeup, and made the morning much more relaxing. She paid special attention to me as the bride, but also took time and care to make sure my bridal party's hair was done nicely. She comes to you, so it was nice not having to travel anywhere the morning of my wedding and relax!
- Lisa was great. I didn't have a ton of money to spend on my hair and make-up and I was nervous about looking like a porn-star on my wedding day but she was able to work with my budget and with my own personal style. It was also great that she came to us...trust me future brides, this is the way to go. My make-up looked natural and was flawless all through the night. She listened to me when I said I didn't want crazy prom hair and I couldn't have been happier with the results. Together we convinced my mom to get her make-up done (she NEVER wears any) and she was even pleased with how she looked. All in all, I felt beautiful on my wedding day and I can't thank Lisa enough for that. I would definitely recommend her to any of my friends
